McCARTHY STONE

Life, well lived

We are beginning to feel the effects of the weather as winter is now on our door step. It has been a good spell away from the restrictions due to Covid and we have all been enjoying the freedom of movement.

Flu Jabs are booked for 25th and 26th October.

We have made arrangements with the Goldchem (Local pharmacy) for them to administer the winter flu jabs here in TRC. We will soon be seeking information if you wish to have the flu jab and further information will be sent to you nearer the time.

As you are probably aware booster vaccination is now on offer for the Covid-19 vaccination program. If you have not been contacted already for your booster (3rd Vaccination) please initiate this via your surgery. If you need assistance please do not hesitate to ask in the office.
